Date: _____

KC CASH Coalition, originated in 2003, is a broad-based collaboration of Kansas and Missouri city, state, and federal government organizations, community-based organizations, non-profits, financial institutions, and the business community.

The mission of the Coalition is: To support low and moderate-income working families in building an economic foundation and increasing financial stability by:

- Increasing awareness and utilization of the Earned Income Tax Credit and Child Tax Credit through outreach efforts
- Providing free tax preparations to qualifying families
- Connecting taxpayers to financial literacy and asset building programs
- Promoting community resources to assist families in reaching self sufficiency

Admission to Membership Section 3.02 of By-laws

“Any adult individual may become a Member of the Coalition by completing a membership form and submitting it to the Secretary. Members are required to attend a minimum of three (3) meetings or events annually. Membership shall continue until a Member resigns, dies, or fails to comply with conditions of Membership.”
